Dear Parent or Guardian:

Glencoe School District 35 participates in the Illinois Child Care Food Program. We ask your cooperation in completing the attached Parent Application, if applicable. The information will be confidential and will not be used for any other purpose.

If your child is a member of a food stamp household or an Aid to Families with Dependent Children (AFDC) assistance unit, the child is automatically eligible to receive Child Care Food Program benefits. To be eligible, complete Parts 1 and 5 on the Parent Application including the name(s) of the child(ren) and the signature of an adult household member. If your child is terminated from receiving food stamps or AFDC benefits, contact this office.

A foster child may be eligible for benefits regardless of your household income. If you are enrolling a foster child, complete parts **1, 3, and 5**.

Parts **1, 4, and 5** of the Parent Application should be completed if your child is not a member of a food stamp household or does not receive benefits under AFDC and your household income is less than or equal to the following United States Department of Agriculture income guidelines:

<u>Household Size</u>	<u>Weekly Income</u>	<u>Monthly Income</u>

The Parent Application must contain complete documentation of eligibility information including:

1. Names of enrolled children
2. Names of all household members
3. Social Security number of the primary wage earner or the adult household member signing application. (If the adult does not possess a Social Security number, the word "none" is to be stated on the application.)
4. Food stamp or AFDC case numbers or the current income for each household member is to be identified by source (earnings, wages, welfare, pensions, support payments, unemployment compensation, and Social Security); and

If your household size decreases or you have an increase of income in the amount of \$50.00 per month or \$600.00 per year or if your employment status changes and your income falls at or below the guidelines, your child's eligibility status may change. Notify the District Office of any changes.

In the operation of child feeding programs, no child will be discriminated against because of race, color, national origin, sex, age, or handicap. Any person who believes he or she has been discriminated against in any United States Department of Agriculture-related activity should write immediately to the Secretary of Agriculture, Washington, DC 20250.
