Dear Parents,

As you know, on February 21, 2007, West School, with the support of the PTO and The Book Stall, Winnetka, will have the exciting opportunity to host Award Winning Author Paul Stewart and Illustrator Chris Riddell.

THE NEWS GETS BETTER …
The publisher just announced that in conjunction with this author/illustrator’s national tour, Hugo Pepper, the 3rd book in their Far Flung Adventures series, will be released! By purchasing through our program, your child can be one of the first to read this book, have their copy autographed by the author/illustrator team at the in-school workshop, and support the PTO.

If your child would like to purchase any book from the Far Flung series, including Fergus Crane, Corby Flood, and/or the newest addition, Hugo Pepper, please complete the form on the back of this letter. Your child will receive the autographed books following the presentation on February 21, 2007.

Separately, if you already own any books in this series, please bring the book(s), with a note inserted indicating student’s name and teacher, to West School librarian, Barbara Feldman, NO LATER THAN TUESDAY, FEBRUARY 20, 2007. BOOKS NOT RECEIVED BY TUESDAY WILL NOT BE ABLE TO BE AUTOGRAPHED.

* * * Please note The Book Stall is generously donating a portion of all sales to the PTO to enable us to bring additional great authors to the school in the future!
