Looking ahead to next year... In 6th grade students are required to take a music class. They can choose from band or chorus (which are year long commitments), or general music. If a child would like to perform in band AND chorus Mrs. Loos offers an extracurricular 6th grade chorus especially for these students. Students interested in both should sign up for band on their course selection sheet (coming out in late May) and indicate that they would like to do chorus as well.

If your child is not electing to participate in the band program next year (and you're renting from Quinlan & Fabish Music Co.) please leave your child's instrument with Ms. Kudert & Mr. Pickett no later than Tuesday, May 27, so the music company representative can pick it up.
