August 3, 2010

Dear Parents of Fifth Grade Students,

Welcome to Central School! As communicated in a previous mailing, Central School is pleased to announce that you will be able to access class roster information utilizing the District 35 Extranet beginning August 16, at 2:00 p.m. As in past years, information from a variety of sources was instrumental in determining this placement. The faculty at both West School and Central School believe your child will excel in this environment. In addition to placement information, please be sure to review all of the following files:

- School calendar
- Class assignment
- An invitation to meet your teachers
- Administering medication information
- Attendance regulations
- Bell schedule
- Traffic procedures

Please keep in mind the first day of school is Tuesday, August 24. ***On this day, we ask all fifth grade students to report to Misner Auditorium by 8:00 a.m.*** Upon arrival, all students will be matched with their classroom teacher and escorted to their classroom. The main doors of Misner (Grove Street) will open at 7:50 a.m. Students will be dismissed at 11:30 a.m.

We hope you have enjoyed your summer vacation and look forward to meeting you very soon.

Sincerely,

Ryan Mollet

Eddy Kim
