Girls' volleyball and coed soccer tryouts will begin Tuesday, August 31. Tryouts will start at 3:30 and end at 5:30. Students trying out for these teams are expected to be at both tryout sessions.

Soccer and volleyball teams will practice and/or have games after school, three to five days per week. Practices usually end at 5:00, but may last until 5:30. The games will end later.

Once a student makes the traveling team, he or she must submit a completed sports physical form. The student's doctor must sign this form. Once submitted this form is valid for the duration of the school year, provided there are no medical changes. We know that many students visit the doctor over the summer so we have included a sports physical form with this letter. In addition, the Board of Education has instituted an athletic activity fee. Information regarding these fees will be provided during tryouts.

Please keep in mind that the start dates for the winter sports are approximate, and if you have any questions, feel free to contact us at your convenience.

Sincerely,
