

Transitioning to Central School

help your
child navigate
a new school

for
Glencoe
parents of
4th graders

Friday, May 18, 2018

9:30-11am / Central School Oasis

Are you a parent of a 4th grader? Curious about the transition to Central School? Come join a lively discussion that will answer all your questions.

A social worker from Central School as well as a representative from the Glencoe Junior High Project will address a range of topics from navigating team teaching to increased independence. The discussion will be facilitated by Kathy Livingston, LCSW, of Family Service of Glencoe.

This free discussion is co-sponsored by Family Service of Glencoe, Glencoe School District 35, and the Glencoe Junior High Project.
