

# ELECTRONIC DEVICE USER AGREEMENT

## ***PARENT PORTION –***

I give permission for my child, \_\_\_\_\_, to bring to school, and use, an electronic device (no smart phones please).

I recognize that my child has complete responsibility over what occurs to and with the device. District 35 is not culpable for ANY damage, misuse, or loss of the item.

## ***STUDENT PORTION –***

I agree to only use my electronic device for educational purposes only. When my electronic device is not in use for educational purposes, it will remain off, and as my schedule allows, in my locked hallway locker. Proper use and protection of the device is my responsibility. Finally, my parent/guardian is aware that I will be using and taking this device to school and have given explicit permission for me to do so.
