

STOP, THINK and MAKE a good choice.

We have a right to learn in a safe environment. I have the responsibility to treat others fairly and with equality, and to not hurt or threaten anyone.

We have a right to respect ourselves and others. I have the responsibility to respect others' differences and seek help for myself or others when needed.

We have a right to share our thoughts and ideas. I have the responsibility to express myself in a proper manner and at an appropriate time; to listen to others; to allow others these same privileges.
