West School

Dear Parents,

We are looking for students who would be interested in being a part of a support group for students whose parents are divorced or separated. The family support group offers students the opportunity to share their thoughts, feelings, and experiences with other students who can identify with them.

It is our intent to provide this group opportunity for 30 minutes one time per week throughout a 6 week period. We will work to schedule this in conjunction with the classroom teacher, so that students do not miss any academic or special area (i.e., gym, spanish, music) classes.

If you are interested in your student participating in the Family Support Group, please fill out the information below and return to me by December 15th. Once we have generated a list of interest, we will put groups together and be in touch with you with regards to the potential starting and ending date.

Please contact me at 847-835-6633 or at nathant@glencoeschools.org if you would like any further information regarding this program.

Sincerely,

Talia Nathan, M.S., M.S.W., L.S.W.
