

Music Week at West!

The week of **December 11th** is Music Week at West School! Parents are invited to come to their child's music class to see and hear all the things we do in music. This is not a formal performance, but more like a review of all the musical concepts we've been learning since the beginning of the year. Below is the class schedule for music. If you are unable to attend Music Week, don't worry! We still have our big end-of-the-year programs in May! You can mark your calendars now. The 4th grade program will be Friday, May 4th at 2:15 p.m. and the 3rd grade program will be Friday, May 18th at 2:15 p.m.
